

Detroit Mission Trip 2017

July 9-15
Cost: \$???

Description of Week

We have a tremendous mission field just 30 miles away. Once again, we will partner with Central Detroit Christian this summer for a week serving the city. We will have a group running a day camp for kids 5-10 years old helping with games, crafts, Bible stories, music, and field trips. It is a week of loving kids in one of the poorest communities in the country. We should also have enough people to have a team doing work projects with CDC cleaning up and beautifying the city. Projects could include landscaping, clean up, or light construction. We will be staying at a church downtown and have time to visit restaurants and spots all over the city. We have learned so much and have seen God do amazing things in the city and we want to continue to partner with what God is doing thru CDC in Detroit. We will be challenged and stretched, but desire to see students (and leaders) grow in their love for the children, families, and city of Detroit. Each evening we will spend time in God's Word and reflect on what God is teaching us. If you have questions about the trip and what we'll be doing, please ask Phil or Jordan.
